

CST0006 – Computer Programming Foundations

INTRODUCTION to WEEK06

In this lecture and lab section we are going to go over some of the things that we need to watch out for when dealing with conditions. You will be working from the answer sheet for this lab.

You will be using Python to test our logic with, so we can just save a “test.py” file within our “2018W_CST0006_LAB06” folder.
